

KENTUCKY POTA

Field Resource

NUMERICAL ORDER • US-####

Parks • Public Lands • Trails • Forests • Wildlife Areas

UPDATED LINK SYSTEM

POTA references now point directly to the Next POTA park information page at next.pota.app/park/US-####. Camping, resort, and cabin buttons are direct hyperlinks. Utilities are listed with notes such as “Water only” or “Electric + Water + Sewer” where established.

FIELD-USE NOTE

Always verify current park operations, campground closures, permits, hunting restrictions, and activation boundaries before travel.

MAPS: USE THE OFFICIAL MAP FIRST

Dark OFFICIAL MAP buttons (gold outline) open maps published by the managing agency (KDFWR, Kentucky State Parks, Nature Preserves, Forestry, NPS, USFS, USFWS). Use them first for activation boundaries.

OSM BOUNDARY buttons open OpenStreetMap, a community-edited source. Its boundaries may be incomplete, outdated or wrong — never rely on them alone. When in doubt, confirm with the agency.
